

Patent Right Waiver for Non-NCHU Inventors

I, ○○○, the Signatory and an employee of ○○○○○○ (“the Employer”), intends to file a patent application for the ○○○○○○ (“the Technology”) developed in a collaboration with Prof. ○○○ at the ○○○○○○ (name of the unit) of National Chung Hsing University (“the University”). I hereby make the following the statements regarding my contribution to the Technology for the purpose of patent application, maintenance, transfer, or licensing as processed by the University:

- (1) I have made the necessary disclosures regarding the Technology to the Employer and the University;
- (2) I agree that the intellectual property rights to the Technology shall belong solely to the University, which shall be responsible for patent application and maintenance; and
- (3) I agree that all matters related to patent application, maintenance, transfer, and licensing for the Technology shall be handled in accordance with University regulations.

I understand that I will be held liable for any disputes and damage caused to the University that should arise from the Technology.

This form is submitted to
